Remarks:

1. First semester: classes begin on 1 Sept 2025 and end on 29 Nov 2025.
Second semester: classes begin on 12 Jan 2026 and end on 25 Apr 2026.
2. The courses offered in each academic year depend on manpower availability and enrolment.
3. A few courses are offered in daytime primarily for full-time students, who can only select the courses offered in one academic year. All students are welcome to take these courses.
4. If a course is offered in daytime in an academic year, we will try to offer this course in evening in the next academic year. Similarly, if a course is offered in evening in an academic year, it may be offered in daytime in the next academic year.
5. For the reasons given in points 2 - 4 above, if you are interested in a course offered in this academic year, you should take it in this academic year.
6. Most classes are conducted on weekday nights at 6:30-9:20pm while a few classes, assessment activities and make-up classes may be conducted on Saturday daytime. In this manner, both full-time and part-time students can attend these classes/activities.
